

SAFETY DIRECTOR'S LUNCH & LEARN

# Fall Protection Demo at Bierschbach Equipment & Supply - Rapid City

**Wednesday, November 1st**  
**11:00am - 1:00pm**

SPACE IS LIMITED TO ONE ATTENDEE PER COMPANY

If you have anyone who wears fall protection or performs confined space entry you don't want to miss this demonstration! 3-M's Jon Eichman is bringing the DBI/Sala Demonstration truck to Bierschbach Equipment & Supply in Rapid City on November 1st - and you're invited!

The demonstration will last 20-30 minutes and Jon will spend additional time after the demonstration answering your fall protection questions. The most exciting part of the visit, besides brushing up on our wealth of fall protection knowledge, is that their demonstration truck has the capability to do test drops!

If you haven't witnessed this demonstration before, you'll want to make time for this in your schedule. **If you have questions, or want to RSVP ... please contact Casey Dolney at [caseydolney@bierschbach.com](mailto:caseydolney@bierschbach.com) or Jim Heaphy at [jim@sdagc.org](mailto:jim@sdagc.org) or 605-261-1567.**

**DANGER**

**FALL PROTECTION  
REQUIRED**
