Maximum initial battery voltage (measured without a workload) is 20 and 60 volts. Nominal voltage is 18 and 54. All amp hours (Ah) shown with 60V MAX products are measured in 20V Max* mode.

Terms and Conditions: This is not a game of chance. Void where prohibited. Offer only available at the participating retail location. Offer valid on purchases made from 05/01/26 through 06/30/26, while supplies last. All federal, state and local laws and regulations apply. Redemption items will be provided at the participating retail location at the time of purchase. Original invoices evidencing qualifying purchases must be provided. Offer valid only for product end users. No cash value. Amounts on flyer do not include taxes. Offer not valid with any other offer or promotion. For multiple purchase promotions, products must be purchased in one transaction, on one receipt/invoice, not cumulative. Qualifying purchase amount does not include taxes. Products purchased are valid towards one promotion / redemption item only. DEWALT® reserves the right to provide alternate redemption items of equal or greater value. DEWALT® reserves the right to limit number of redemptions per customer and/or transaction. Offer subject to change without notice. Products may differ from that pictured. Does not affect function.
